Step 4. Sign Agreement Clause (Make sure you have read the Terms and Conditions on the back of this form.)

ELECTRIC ACCOUNT HOLDER

I certify that I purchased a new Smart thermostat from a Participating Retailer between JANUARY 1, 2018 and JUNE 30, 2018 for residential customers. I understand that a completely and legibly filled out application with original receipt/invoice must be postmarked by 60 days from purchase date. I understand that this rebate is available on a first-come, first-served basis based upon the date received, provided all program requirements have been met. I understand that processing may take 6 to 8 weeks before receiving the \$50 rebate. I have made photo copies of all documents for my records and understand Hawai'i Energy is not responsible for delivery complications or mail not delivered by signing below. I acknowledge that I have read, understood, and agreed to the terms & conditions of this application as detailed on the front and back of this application.

Applicant Name: _____ Signature: _____ Date: _____

Step 5. Tell us how you heard about us.

Phone: (808) 537-5577 or (877) 231-8222

Hawai'i Energy

SMART THERMOSTAT REBATE

\$50 REBATE APPLICATION

EFFECTIVE JANUARY 1, 2018 THROUGH JUNE 30, 2018 OR WHILE FUNDING LASTS.

Hawai'i Energy Terms and Conditions

1) Rebates:

Subject to these Terms and Conditions, Hawai'i Energy ("the Program") will pay rebates for qualifying appliances.

2) Eligibility:

- a) An "Applicant" is a scheduled account holder of an electric utility on the islands of Hawai'i, Lāna'i, Maui, Molokai or O'ahu who contributes to the Public Benefit Fund where the electricity-saving energy efficiency measure has been installed. Rebates are awarded only to an eligible Account Holder. The Account Holder can reassign the rebate payment to another Payee designated in Step 2. Applicants are ultimately responsible for compliance with these Terms and Conditions.
- b) "Qualifying Appliances" are those electricity-saving items that are identified in the program applications and associated materials. All equipment must be new, meet Program specification requirements and be fully operable prior to rebate payment.
- c) Incomplete applications or applications with missing supporting documents will be returned unprocessed. The ORIGINAL receipt must have make, model and purchase date.
- d) Rebate application must be received within sixty (60) days of purchase date, unless otherwise specified in the application itself.
- e) This application is good only for one (1) smart thermostat.

3) Installation Verification and Data Collection:

- a) The Program may conduct an inspection to verify pre-installation conditions or confirm installation prior to rebate payment, at any time after receipt of applications and up to up to five (5) years after payment of rebates.
- b) The Applicant must provide reasonable access to the facility, the equipment and related documentation and data.
- c) The Program may install metering devices on equipment for Program data collection, measurement and verification purposes.

4) Compliance:

The Applicant is responsible for abiding with all applicable laws, rules, and regulations and for complying with all federal, state and local codes. Rebate Program participants receiving \$600 or more in combined rebates will be issued an IRS Form 1099 unless exemptions apply. Social Security numbers may be requested at a later date and are held in confidence under terms of the Privacy Act.

5) Program Availability:

Payment of rebates is not guaranteed and is subject to the availability of funds.

6) Publicity:

Applicant gives Hawai'i Energy and its administrator Leidos, Inc. permission to use Applicant's name, likeness, image, voice, and/or appearance, as such may be embodied in any pictures, photos, video recordings, audiotapes, digital images, and the like, taken or made on behalf of Hawai'i Energy activities. I agree that the Hawai'i Energy program and Leidos, Inc. have complete ownership of such pictures, etc., including the entire copyright, and may use them for any purpose consistent with the Hawai'i Energy program's mission. These uses include, but are not limited to illustrations, bulletins, exhibitions, videotapes, reprints, reproductions, publications, advertisements, and any promotional or educational materials in any medium now known or later developed, including the Internet. Applicant acknowledges that they will not receive any compensation, etc. for the use of such pictures, etc., and hereby release the Hawai'i Energy program and Leidos, Inc. and its agents and assigns from any and all claims which arise out of or are in any way connected with such use.

7) Disclaimers:

- a) The Program is not responsible for any tax liability imposed on the Applicant as a result of the payment of rebates.
- b) The Program does not expressly or implicitly warrant the performance of installed equipment, the quality of any contractor's work, or that the equipment will result in any energy or cost savings. Any questions and/or issues regarding the equipment and any warranty should be addressed with the manufacturer. Any questions and/or issues regarding the installation of the equipment should be addressed with the installer.
- c) The Program is not responsible for the proper disposal or recycling of any waste generated as a result of this project.
- d) The Program does not endorse any particular market provider, manufacturer, product, labor, or system design by offering these rebates.
- e) The Program does not guarantee that funding will be available for payment of rebates until this application is approved. Submission of the application does not warrant payment under any circumstances should the application not be approved or funding is unavailable.

8) Indemnification and Limits of Liability:

- a) Applicant agrees to indemnify, hold harmless and defend the Program and the Program's administrators, overseeing entities, successors, licensees, assigns, agents, contractors, employees, officers and directors (collectively, "Indemnified Parties") from any and all liabilities, claims, demands, causes of actions, losses, damages, deaths or injuries, including reasonable attorneys' fees and costs, whether in law or in equity, now known or unknown, from now until the end of time, which the Applicant, his/her heirs, representatives, executors, administrators or any other persons acting on the Applicant's behalf or behalf of the Applicant's estate have or may have be reason of, arising out of or relating to the installation, use and maintenance of the equipment, and/or related equipment, parts, designs, practices, or methods.
- b) In no event shall either the Program or any other indemnified party be liable for any punitive, exemplary, special, indirect, incidental or consequential damages (including, but not limited to, lost profits, lost business opportunities, loss of use or equipment down time, and loss of or corruption to data) arising out of or relating to this Agreement, regardless of the legal theory under which such damages are sought.

9) Entire Agreement:

The entire agreement between the Applicant and the Program is composed of an approved, fully-executed application, these Terms and Conditions and, as applicable, pre-installation approval letters, invoices, receipts and any and all such other documentation as required.
