

SOLAR WATER HEATER TUNE-UP

\$100

instant rebate

Offer valid while funding lasts.

Hawai'i Energy recommends maintenance tune-ups for solar water heating systems every 3-5 years. A regularly maintained system can drastically increase the life of your investment.

Schedule your tune-up today with one of our participating contractors and receive a \$100 rebate! Rebates are:

- Issued on a first-come, first-served basis;
- Available for all solar water heating systems in Hawai'i, Honolulu and Maui counties that are at least 3 years old;
- Limited to maintenance services described on the Tune-Up Checklist.

Learn more about this and other rebate offers by visiting hawaiienergy.com/tune-up.
