Hawai'i Energy Terms and Conditions

1) Rebates:

Subject to these Terms & Conditions, Hawai'i Energy (the Program) will pay rebates for the installation of qualified and verified Energy Efficiency Measures (EEM) that meet eligibility.

2) Eligibility:

- a) An "**Applicant**" is a residential scheduled account holder of an electric utility on the islands of Hawai'i, Lāna'i, Maui, Moloka'i or O'ahu that contribute into the Public Benefit Fund where the electricity-saving energy efficiency measure has been installed. Applicants are ultimately responsible for the compliance of these Terms and Conditions.
- b) "**Qualifying Solar Water Heaters**" are those electricity-saving items that are identified in the Program applications and associated materials. All equipment must be new, meet Program specification requirements, and be fully operable prior to rebate payment.
- c) Application, Form 1 and invoice must be submitted by the Participating Contractor within thirty (30) days of purchase.
- d) Applications for newly constructed homes do not qualify.
- e) Applications for newly purchased home do qualify.
- f) Work order authorization must be issued before the installation date.
- g) Applicant is opted in for the residential enewsletters and can opt out at any time.

3) Installation Verification and Data Collection:

- a) The Program may conduct an inspection to verify pre-installation conditions or confirm installation prior to rebate payment, at any time after receipt of applications and up to five (5) years after payment of rebates.
- b) The Program may inspect installations to ensure compliance to the Program's Standards & Specifications. Applicants may request an inspection.
- c) The Applicant must provide reasonable access to the facility, the equipment, and related documentation and data.
- d) The Program may install metering devices on equipment for Program data collection, measurement and verification purposes.

4) Compliance:

The Applicant is responsible for abiding to all applicable laws, rules, and regulations, and for complying with all federal, state and local codes.

5) Program Availability:

Payment of rebates is not guaranteed and is subject to the availability of funds. Program availability, Program terms, and equipment eligibility may change without notice at any time at the discretion of the Program. Please see Hawaiienergy.com for program updates.

6) Publicity:

The Program reserves the right to publicize Applicant's participation in the Program for promotional purposes unless the Applicant submits a written request to the Program.

7) Disclaimers:

- a) The Program is not responsible for any tax liability imposed on the Applicant as a result of the payment of incentives.
- b) The Program does not expressly or implicitly warrant the performance of installed equipment, the quality of any contractor's work, or that the equipment will result in any energy or cost savings.
- c) The Program is not responsible for the proper disposal or recycling of any waste generated as a result of this project.
- d) The Program does not endorse any particular market provider, manufacturer, product, labor or system design by offering these rebates.
- e) The Program does not guarantee that funding will be available for payment of incentives until this application is approved. Submission of the application does not warrant payment under any circumstances should the application not be approved or funding is unavailable.

8) Indemnification and Limits of Liability:

- a) Applicant will indemnify, defend, and hold harmless the Program and its administrator Leidos, Inc, and the Program's and State of Hawai'i's agents, contractors, employees, officers and directors from any and all liability, claims, loss, damage, death or injury including reasonable attorneys' fees and costs, arising out of or relating to the field or site inspection, installation, use and maintenance of the equipment, designs, practices or methods involved in the Applicant's project.
- b) In no event shall either the Program, or any other indemnified party be liable for any punitive, exemplary, special, indirect, incidental or consequential damages (including, but not limited to, lost profits, lost business opportunities, loss of use or equipment down time, and loss of or corruption to data) arising out of or relating to this agreement, regardless of the legal theory under which such damages are sought.

9) Entire Agreement:

The entire agreement between the Applicant and the Program is composed of an approved, fully-executed application, these Terms and Conditions, and, as applicable, pre-installation approval letters, invoices, receipts and any and all such other documentation as required.
