About the food banks we work with

Hawai'i Energy is proud to partner with The Food Basket and the Hawaii Food Bank to help bring much-needed assistance to Hawaii's food insecure population on Hawai'i, O'ahu, Maui and Kaua'i. Our food banks form vital links between the food donors and their member agencies by providing services in collecting, sorting, salvaging and distributing food. They also support member agencies through financial and education assistance. For more information about these organizations, visit hawaiienergy.com and hawaiifoodbank.org and hawaiifoodbasket.org.

- d) **Qualifying refrigerator or freezer must be hauled by a Participating Hauling or Recycling Company.**
- e) Rebate application must be received within sixty (60) days of removal, unless otherwise specified in the application itself. Please allow 6-8 weeks for processing.

I agree that the Hawai'i Energy program and Leidos, Inc. have complete ownership of such pictures, etc., including the entire copyright, and may use them for any purpose consistent with the Hawai'i Energy program's mission.
