

# ENERGY UNPLUGGED

Empowering Communities

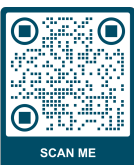

**Available on all islands!**

**FREE  
in-person  
info session**

Join the thousands of Hawai'i residents already saving on their electric bills from energy-saving tips and rebates. We're here to help and show you how you and your family can reduce your energy usage, lower your electric bill, and even get some cash back.

## WHAT YOU'LL LEARN

- Top 10 practical low-cost tips for saving energy in your home.
- Information on over \$5,000 in Hawai'i Energy rebates available for residents.
- How to save energy and get \$75 cash back by recycling old, energy-draining appliances.

Don't miss out, request info today! Email:
